

SANATA

The SANATA Communications Portfolio will

- Develop and maintain a media presence, this includes building relationships with the press and journalists, releasing press statements.
- Develop and maintain an organisational website;
- Coordinate and drive an advocacy strategy (talks, interviews, marketing).
- Develop and implement a lobbying strategy (government related, e.g. Posts).
- Network and build relationships with national and international bodies and partners.

If you are interested in joining this portfolio, please contact the portfolio manager:
