

The SANATA Ethics and Legal Portfolio will

- Develop a Code of Ethics;
- Attend to complaints and any other legal/ethical issues;
- Keep abreast of changes in the legislative environment;
- Develop and keep updated Child Protection guidelines for practitioners.
- Network and build relationships with national and international bodies and partners
- Develop a lobbying and advocacy plan in line with the work of the portfolio that will contribute to an organisational lobbying and advocacy strategy

If you are interested in joining this portfolio, please contact the portfolio manager:
