

S A N A T A

The SANATA Membership Services Portfolio will

- Support members with regard to remuneration (issues regarding codes and tariffs) and private practice (including non-payment/debt collection) and Insurance.
- General mentorship and supervision (including developing supervision guidelines).
- Internal communication and networking – Newsletter and updates.
- Network and build relationships with national and international bodies and partners.
- Develop a lobbying and advocacy plan in line with the work of the portfolio that will contribute to an organisational lobbying and advocacy strategy.

If you are interested in joining this portfolio, please contact the portfolio manager:
